

# OTTAWA RIVER CHANNELS

## Pembroke to the Des Joachims

AERIAL VIEW OF PEMBROKE

PRESENTED BY

*Pembroke Chamber of Commerce*

Recommended Channels for Boats  
with 3 ft. Draught — — — — —  
17 ft. Contour (W.S. 365 ft.) . . . . .

Good Anchorage

The note "Old" (Wharf, Crib, etc.) means that the object was on the original 1907 Chart and may now be in a partially destroyed condition and constitutes a present hazard.

Obstacle (Dead Head, Reel, Rock, etc.) •

Charts No. 1 and No. 12 traced from a print of the Deep River Yacht Club Chart. Their Chart was basically a copy of the proposed Georgian Bay Ship Canal Chart.

*Taken from a Print supplied by John A. Cockburn*
